Enter the emails of your friends & family. The emails sent from registration contain your seller ID and link directly to your store so all sales are generated for you. Share on social media.

Small text: Emails are used for tracking & notification of sales. Any personal information and email addresses are used for the fulfillment of purchases. We will not sell, rent, or distribute emails or information to anyone else. All information is retained in our database for customer service and state and federal compliance purposes.

We are raising money to continue to improve the quality of our programs.

- Your support and participation is greatly appreciated!
- The online registration and email function is easy & fast.
- Please promote our sale through your social media.
- Most online orders will ship directly to the customer.
- Chocolate or frozen products ordered online must be delivered by you to those customers; chocolates or frozen products are not available for customer shipping.
- You may also take orders & collect money now. You will deliver to your customers later when the product arrives. The projected delivery is 4 weeks after our end date.
- Hundreds of products available online.

All products are great for gift giving.
