To our Fundraising Associates, Friends & Family,

3/20/2020

The COVID-19 pandemic is an unprecedented time for everyone. Our hearts and thoughts go out to each and every one of you.

For more than 30 years, Midwest Community Fundraising, Inc. has focused on working with schools, groups and organizations to raise funds. These times are no different. Rest assured, we are prepared to serve you and continue to work with your organization.

We are following the guidelines from the Center for Disease Control and Prevention and promoting social distancing. We are committed to supporting our fundraising community in this time of need.

We offer schools and organizations an online shopping experience that continues to evolve and grow. We've made it easy for parents and supporters to participate in a fundraiser without having to meet or the need of doing door-to-door sales.

Let us know how we can help.

We wish you health and strength.

Sincerely,

Brian & Brenda Templeton and our entire Staff
